

**Materialism,
Immaterialism and
Implications for
Contemporary Activist
Theory and Practice**

This reading/discussion group explores the debate between theories of material and immaterial labor within the context of contemporary activism and social change. Each theory claims itself to be hegemonic and the way to revolution.

Which theory is correct?

Tuesday, 18 December 2007 @ 7 pm

**January meetings, TBA*

Wooden Shoe Books & Records

508 S. 5th St. Phila, PA

*Please join us as we discuss these and other questions in a diverse, non-hierarchical and consensus-type atmosphere. Beginners, experts and people of all political persuasions are welcomed! Discussion will be facilitated by **Dr. Jason Del Gandio**, a Temple University faculty member*

RSVP Greg Gabrellas in advance for readings
