In conversation about his new book, *How to Rule the World: The Coming Battle Over the Global Economy*, journalist, activist, and policy analyst **Mark Engler** will discuss the collapse of neoliberal globalization and the challenges of fighting empire after Bush.

"Impressively researched and sharply argued, *How to Rule the World* is an **essential handbook** not for the few who do rule the world but for the many who should."

--Greg Grandin, author of *Empire's Workshop*

"Full of passion, hope, and insight."

--Frida Berrigan, New America Foundation

"If you want to know 'what ever happened to the anti-globalization movement,' why it is likely to roar back as a powerful force in world politics, and why it may make another world possible, don't miss this **unique and indispensable** guide."

--Jeremy Brecher, author of *Strike!* and *Globalization from Below*

"Never was a book more timely."

--Andy Bichlbaum, *The Yes Men*
